EXECUTIVE ORDER NO. 50 (PRICE-MATCHING PREFERENCE):

Pursuant to North Carolina General Statute § 143-59 (G.S. § 143-59) and Executive Order No. 50 issued by Governor Perdue on February 17, 2010, entitled "Enhanced Purchasing Opportunities for North Carolina Businesses," a price-matching preference may be given to North Carolina resident bidders on contracts for the purchase of goods. This preference will allow a qualified North Carolina resident bidder to match the price of the lowest responsible nonresident bidder, if the North Carolina resident bidder's price is within five percent (5%) or \$10,000, whichever is less, of the nonresident bidder's price. If the resident bidder requests and qualifies for the price-matching preference, the resident bidder will first be offered the contract award and it will have three (3) business days to accept or decline the award based on the lowest responsible nonresident bidder's price.

Executive Order #50 applies to procurements from the Governor's Office, Cabinet Agencies (i.e., Administration, Commerce, Correction, Crime Control and Public Safety, Cultural Resources, Environment and Natural Resources, Health and Human Services, Juvenile Justice and Delinquency Prevention, Revenue, and Transportation), Universities and Community Colleges and all procurements handled by the Division of Purchase and Contract. All other State Agencies are encouraged to implement the requirements of the Executive Order #50 and vendors should contact these State Agencies to determine whether they have adopted and implemented Executive Order #50.

BIDDER: American Uniform Data, Inc.

PART III

By executing this affidavit, the Bidder agrees to provide any additional information or documentation requested by the State (during the procurement process seeking clarification of the request for the Price-Matching Preference or after contract award to resolve any bid protest) to confirm the above certifications and statements within five (5) business days of request (including tax filings in North Carolina, banking statements, financial and accounting statements reflecting Bidder's payment of the subject taxes, and any other documentation that may establish Bidder's principal place of business in North Carolina, including but not limited to information regarding the amount of income and unemployment taxes paid to other states and number of employees in North Carolina and number of employees in other states). Pursuant to G.S. §§ 132-1.1, 105-259(b) and Paragraph 17 of the Instructions to Bidders, the State is prohibited from making public disclosures of the bidder's tax information and documents (except if one of the 39 exceptions applies in G.S. § 105-259(b) and the State shall preserve the confidentiality of the information and/or documents received in response to a request for clarification (or, as discussed below, to resolve a bid protest challenging resident bidder's qualification for the price-matching preference). In order to further preserve the confidentiality of bidder's tax information and documentation provided the State, the bidder shall comply with Paragraph 17 of the Instructions to Bidders and mark "CONFIDENTIAL" at the top and bottom of each page of the information and documentation. Bidder further understands and agrees that if Bidder fails to provide the State with the additional information and documentation within five (5) business days of the request; or the State determines that certifications or information in this Affidavit are false at any time after the contract is awarded to Bidder, the State may:

- (1) Cancel the Bidder's contract and/or purchase order that was awarded based on the price-matching preference and Bidder shall be liable for all its cost it incurs as a result of the cancellation and all increased costs of the State by awarding the contract to the next lowest bidder;
- (2) Bidder will not be entitled to any price-matching preference in any future State bidding opportunities;
- (3) Action may be taken against the contractor under the False Claims Act, G.S. § 1-605 through 1-617, inclusive, for submitting a false Certification for the price-matching preference under Executive Order #50 (including but not limited to treble damages and civil penalties); and/or
