EXECUTIVE ORDER NO. 50 (PRICE-MATCHING PREFERENCE):

Pursuant to North Carolina General Statute § 143-59 (G.S. § 143-59) and Executive Order No. 50 issued by Governor Perdue on February 17, 2010, entitled "Enhanced Purchasing Opportunities for North Carolina Businesses," a price-matching preference may be given to North Carolina resident bidders on contracts for the purchase of goods. This preference will allow a qualified North Carolina resident bidder to match the price of the lowest responsible nonresident bidder, if the North Carolina resident bidder's price is within five percent (5%) or \$10,000, whichever is less, of the nonresident bidder's price. **If the resident bidder requests and qualifies for the price-matching preference, the resident bidder will first be offered the contract award and it will have three (3) business days to accept or decline the award based on the lowest responsible nonresident bidder's price.**

Executive Order #50 applies to procurements from the Governor's Office, Cabinet Agencies (i.e., Administration, Commerce, Public Safety, Cultural Resources, Environment and Natural Resources, Health and Human Services, Revenue, and Transportation), Universities and Community Colleges and all procurements handled by the Division of Purchase and Contract. All other State Agencies are encouraged to implement the requirements of the Executive Order #50 and vendors should contact these State Agencies to determine whether they have adopted and implemented Executive Order #50.

ANY RESIDENT BIDDER REQUESTING THIS PREFERENCE SHOULD CAREFULLY REVIEW PARAGRAPH 23 OF THE INSTRUCTIONS TO BIDDERS, WHICH PROVIDES MORE INFORMATION REGARDING THE DEFINITION OF RESIDENT AND NONRESIDENT BIDDERS; THE QUALIFICATION PROCESS FOR GRANTING THE PREFERENCE AND HOW THE CONTRACT WILL BE AWARDED IF THE PREFERENCE IS APPLICABLE.

ALL BIDDERS (RESIDENT AND NONRESIDENT) MUST ANSWER THE FOLLOWING QUESTION:

- 1. Bidder is a resident of North Carolina as defined in G.S. § 143-59: YES / **NO** (circle one)
(Bidder may be deemed a nonresident bidder, if it failed to circle any choice.)

ALL RESIDENT BIDDERS REQUESTING A PRICE-MATCHING PREFERENCE MUST ANSWER THE FOLLOWING QUESTION AND MUST COMPLETE "RESIDENT BIDDER'S CERTIFICATION FOR PRICE-MATCHING PREFERENCE UNDER EXECUTIVE ORDER #50", WHICH IS BELOW AFTER QUESTION 2. AS STATED ABOVE AND PARAGRAPH 23 OF THE INSTRUCTIONS TO BIDDERS, A RESIDENT BIDDER ANSWERING "YES" TO THE QUESTION BELOW AND IS QUALIFIED FOR THE PRICE-MATCHING PREFERENCE WILL BE GIVEN AN OPPORTUNITY TO ACCEPT OR DECLINE THE CONTRACT AWARD WITHIN THE SPECIFIED PERIOD OF TIME.

- 2. Resident Bidder requests the price-matching preference: YES / **NO** (circle one)
(Bidder shall be deemed not to have requested the preference, if it failed to circle any choice and did not complete the Resident Bidder's Certification. If a Bidder failed to circle a choice above and completed and notarized the Bidder's Certification, then it will have been deemed to have responded YES to the above question.)

 - **AGENCY SPECIFIC TERM CONTRACT:** A Term Contract for a specific agency.
 - **OPEN MARKET CONTRACT:** A contract for the purchase of a commodity not covered by a term contract.
4. **EXECUTION:** Failure to sign under EXECUTION section will render bid invalid.
5. **ORDER OF PRECEDENCE:** In cases of conflict between specific provisions in this bid, the order of precedence shall be (1) special terms and conditions specific to this bid, (2) specifications, (3) North Carolina General Contract Terms and Conditions, and (4) Instructions to Bidders.
6. **TIME FOR CONSIDERATION:** Unless otherwise indicated on the first page of this document, bidder's offer shall be valid for 45 days from the date of bid opening. Preference may be given to bids allowing not less than 45 days for consideration and acceptance.
7. **PROMPT PAYMENT DISCOUNTS:** Bidders are urged to compute all discounts into the price offered. If a prompt payment discount is offered, it will not be considered in the award of the contract except as a factor to aid in resolving cases of identical prices.
8. **SPECIFICATIONS:** Any deviation from specifications indicated herein must be clearly pointed out; otherwise, it will be considered that items offered are in strict compliance with these specifications, and bidder will be held responsible therefore. Deviations shall be explained in detail. **The bidder shall not construe this paragraph as inviting deviation or implying that any deviation will be acceptable.**
9. **INFORMATION AND DESCRIPTIVE LITERATURE:** Bidder is to furnish all information requested and in the spaces provided in this document. Further, if required elsewhere in this bid, each bidder must submit with their bid sketches, descriptive literature and/or complete specifications covering the products offered. 10. **RECYCLING AND SOURCE REDUCTION:** It is the policy of this State to encourage and promote the purchase of products with recycled content to the extent economically practicable, and to purchase items which are reusable, refillable, repairable, more durable, and less toxic to the extent that the purchase or use is practicable and cost-effective. We also encourage and promote using minimal packaging and the use of recycled/recyclable products in the packaging of commodities purchased. However, no sacrifice in quality of packaging will be acceptable. The company remains responsible for providing packaging that will protect the commodity and contain it for its intended use. Companies are strongly urged to bring to the attention of purchasers those products or packaging they offer which have recycled content and that are recyclable.
11. **CLARIFICATIONS/INTERPRETATIONS:** Any and all questions regarding this document must be addressed to the purchaser named on the cover sheet of this document. Do not contact the user directly. Any and all revisions to this document shall be made only by written addendum. The bidder is cautioned that the requirements of this bid can be altered only by written addendum and that verbal communications from whatever source are of no effect.
12. **ACCEPTANCE AND REJECTION:** The Department of Public Safety reserves the right to reject any and all bids, to waive any informality in bids and, unless otherwise specified by the bidder, to accept any item in the bid. If either a unit price or extended price is obviously in error and the other is obviously correct, the incorrect price will be disregarded.
13. **REFERENCES:** The Department of Public Safety reserves the right to require a list of users of the exact item offered. The Department of Public Safety may contact these users to determine acceptability of the bid. Such information may be considered in the evaluation of the bid.

14. **TAXES:**

- **FEDERAL:** All agencies participating in this contract are exempt from Federal Taxes, such as excise and transportation. Exemption forms submitted by the contractor will be executed and returned by the using agency.
- **OTHER:** Prices offered are not to include any personal property taxes, nor any sales or use tax (or fees) unless required by the North Carolina Department of Revenue.

15. **AWARD OF CONTRACT:** As directed by statute, qualified bids will be evaluated and acceptance may be made of the lowest and best bid most advantageous to the Department of Public Safety as determined upon consideration of such factors as: prices offered; the quality of the articles offered; the general reputation and performance capabilities of the bidders; the substantial conformity with the specifications and other conditions set forth in the bid; the suitability of the articles for the intended use; the related services needed; the date or dates of delivery and performance; and such other factors deemed by the Department of Public Safety to be pertinent or peculiar to the purchase in question. After the foregoing evaluation, the bids will be reviewed to determine if there are any North Carolina resident bidders that submitted responsive bids and requested the price-matching preference pursuant to Executive Order #50 and G.S. § 143-59. If such bidders are found, the evaluators and/or purchaser will then determine whether any of the North Carolina resident bidders qualify for this preference and, if so, make the contract award pursuant to Paragraph 23 below.

Unless otherwise specified by the Department of Public Safety or the bidder, the Department of Public Safety reserves the right to accept any item or group of items on a multi-item bid.

In addition, on TERM CONTRACTS, the Department of Public Safety reserves the right to make partial, progressive or multiple awards: where it is advantageous to award separately by items; or where more than one supplier is needed to provide the contemplated requirements as to quantity, quality, delivery, service, geographical areas; other factors deemed by the Department of Public Safety to be pertinent or peculiar to the purchase in question.

16. **HISTORICALLY UNDERUTILIZED BUSINESSES:** Pursuant to General Statute 143-48 and Executive Order #150, the Department of Public Safety invites and encourages participation in this procurement process by businesses owned by minorities, women, disabled, disabled business enterprises and non-profit work centers for the blind and severely disabled.
17. **CONFIDENTIAL INFORMATION:** As provided by statute and rule, the Department of Public Safety will consider keeping trade secrets which the bidder does not wish disclosed confidential. Each page shall be identified in boldface at the top and bottom as "CONFIDENTIAL" by the bidder. Cost information shall not be deemed confidential. In spite of what is labeled as a trade secret, the determination whether it is or not will be determined by North Carolina law.
18. **SAMPLES:** Sample of items, when required, must be furnished as stipulated herein, free of expense, and if not destroyed will, upon request be returned at the bidder's expense. Request for the return of samples must be made within 10 days following date of bid opening. Otherwise the samples will become the Department of Public Safety property. Each individual sample must be labeled with the bidder's name, bid number, and item number. A sample on which an award is made, will be retained until the contract is completed, and then returned, if requested, as specified above.
19. **PROTEST PROCEDURES:** When a bidder wants to protest a contract awarded by the Secretary of Administration or by an agency over \$25,000 resulting from this solicitation, they must submit a written request to the State Purchasing Officer at Purchase and Contract, 1305 Mail Service Center, Raleigh, NC 27699-1305. This request must be received in the Division of Purchase and Contract within thirty (30) consecutive calendar days from the date of the contract award. When a bidder wants to protest a contract awarded by an agency or university resulting from this solicitation that is over \$10,000 but less than \$25,000 for any agency, or any contract awarded by a university, they must submit a written request to the issuing procurement officer at the address of the issuing agency. This request must be received in that office within thirty (30) consecutive calendar days from the date of the contract award. Protest letters must contain specific reasons and any supporting documentation for the protest. Note: Contract award notices are sent only to those actually awarded contracts, and not to every person or firm responding to this solicitation. Bid status and Award notices are posted on the Internet at <http://www.pandc.nc.gov/>. All protests will be handled pursuant to the North Carolina Administrative Code, Title 1, Department of Administration, Chapter 5, Purchase and Contract, Section 5B.1519. (See Protest Information at <http://www.pandc.nc.gov/protests.pdf> for more information.)
- If a ground of a protest is based on a challenge to the qualification of a North Carolina resident bidder awarded a contract pursuant to Executive Order #50 (price-matching preference), the State Purchasing Officer or procurement officer may request the North Carolina resident bidder to produce documentation substantiating the North Carolina resident bidder's qualification for the subject preference. The State Purchasing Officer or procurement officer should request the supporting documentation within the 10-day period he or she has to make the decision on whether to deny or grant a protest meeting and the protest meeting should be scheduled after the anticipated receipt of the documents from the North Carolina resident bidder. Pursuant to Paragraph 23 below, the North Carolina resident bidder is required to produce to the State the requested documentation within five (5) business days of the State's request and failure to produce the documents by the end of that time period may result in the cancellation of the contract. Also note that any tax, financial, accounting or banking documents the North Carolina resident bidder submits to the State in connection with the resolution of a protest shall not be disclosed to the protester pursuant to G.S. §§ 132-1.1 and 105-259(b) and the State shall preserve the confidentiality of such documents.
20. **MISCELLANEOUS:** Masculine pronouns shall be read to include feminine pronouns, and the singular of any word or phrase shall be read to include the plural and vice versa.

21. **RECIPROCAL PREFERENCE:** G.S. 143-59 establishes a reciprocal preference law to discourage other states from applying in-state preferences against North Carolina's resident bidders. The "Principal Place of Business" is defined as the principal place from which the trade or business of the bidder is directed or managed.
22. **CONFIDENTIALITY OF BIDS:** In submitting its bid, the bidder agrees not to discuss or otherwise reveal the contents of its bid to any source outside of the using or issuing agency, government or private, until after the award of the contract. All bidders are advised that they are not to have any communications with the using or issuing agency during the evaluation of the bids (i.e., after the public opening of the bids and before the award of the contract), unless the State's purchaser contacts the bidder(s) for purposes of seeking clarification. A bidder shall not: transmit to the issuing and/or using agency any information commenting on the ability or qualifications of any other bidder to provide the advertised good, equipment, commodity; defects, errors and/or omissions in any other bidder's bid and/or prices at any time during the procurement process; and/or engage in any other communication or conduct attempting to influence the evaluation and/or award of the contract that is the subject of this IFB. Bidders not in compliance with this provision may be disqualified, at the option of the State, from the contract award. Only those communications with the using agency or issuing agency authorized by this IFB are permitted.
23. **EXECUTIVE ORDER #50-PRICE-MATCHING PREFERENCE:** Pursuant to North Carolina General Statute § 143-59 (G.S. § 143-59) and Executive Order No. 50 issued by Governor Perdue on February 17, 2010, entitled "Enhanced Purchasing Opportunities for North Carolina Businesses," a price-matching preference may be given to North Carolina resident bidders on contracts for the purchase of goods. This preference will allow a qualified North Carolina resident bidder to match the price of the lowest responsible nonresident bidder, if the North Carolina resident bidder's price is within five percent (5%) or \$10,000, whichever is less, of the non-resident bidder's price. G.S. § 143-59(c) (1) defines a "resident bidder" as a "bidder that has paid unemployment taxes or income taxes in this State and whose principal place of business is located in this State. G.S. § 143-59(c)(2) defines a nonresident bidder as a bidder that does not meet the definition in G.S. § 143-59(c)(1). G.S. § 143-59(c)(3) defines a "principal place of business" as the "principal place from which the trade or business of the bidder is directed or managed."

In order to qualify for this preference, a resident bidder must: (1) request the preference; and (2) complete "Resident Bidder's Certification for Price-Matching Preference under Executive Order #50" (hereinafter the "Certification"). The Certification may not be submitted after the public opening of the bids. By executing the Certification, the bidder agrees to provide any additional information or documentation requested by the State to confirm the above certifications and statements within five (5) business days of request (including tax filings, banking statements, financial and accounting statements reflecting Bidder's payment of the subject taxes and such other information regarding bidder's management or directors of its business or trade of its principal place of business).

The State will evaluate the bids in accordance with the award criteria stated in this IFB to determine the lowest responsible bidder. If the lowest responsible bidder is a North Carolina resident bidder, then there will be no consideration of the price-matching preference. If the lowest responsible bid was submitted by nonresident bidder and there are no North Carolina resident bidders that submitted a bid price that was within 5% or \$10,000 of the nonresident bidder's price, then none of the North Carolina resident bidders qualified for the price-matching preference and no review of the Resident Bidder's Certifications is required.

If the lowest responsible bid was submitted by nonresident bidder and there are one or more North Carolina resident bidders that submitted a bid price that was within 5% or \$10,000 of the nonresident bidder's price, then the evaluators shall review the Certification(s) of the resident bidder(s) to determine whether the resident bidders have certified compliance with G.S. § 143-59(c)(1), (3) and the information and documentation provided in or with the Certification supports the resident bidder(s) certifications. The evaluators may seek clarification of the certifications and/or information in a resident bidder's Certification and request documentation (including but not limited to income tax or unemployment tax returns, reports and/or filing (annual and/or quarterly); banking statements or financial/accounting statements reflecting bidder's payment of income taxes or unemployment taxes to the State of North Carolina and such other information regarding bidder's management or directors of its business or trade of its principal place of business.). If the resident bidder's Certification for the price-matching is challenged in a bid protest, the resident bidder shall provide the foregoing information and/or documents to the State within five (5) business days of receiving a request from the State for such information and/or documentation. Pursuant to G.S. §§ 132-1.1, 105-259(b) and Paragraph 17 of the Instructions to Bidders, the State is prohibited from making public disclosures of the bidder's tax information and documents (except if one of the 39 exceptions applies in G.S. § 105-259(b)) and the State shall preserve the confidentiality of the tax information and/or documents received in response to a request for clarification (or, as discussed below, to resolve a bid protest challenging resident bidder's qualification for the price-matching preference). In order to further preserve the confidentiality of bidder's tax information and documentation provided the State, the bidder shall comply with Paragraph 17 of the Instructions to Bidders and mark "CONFIDENTIAL" at the top and bottom of each page of the information and documentation. After review of the Certification(s) and any clarification, the evaluators shall include in their recommendation for award a finding that the North Carolina resident bidder(s) was or was not qualified for the price-matching preference.

If more than one North Carolina resident bidder qualified for the price-matching preference, then the evaluators, purchaser, or procurement specialist shall prioritize the qualified North Carolina resident bidders according to their original bid prices, from lowest to highest, so that qualified North Carolina resident bidder that submitted the lowest bid should get the first opportunity to match the bid price of the nonresident lowest responsible bidder. If the lowest responsible and qualified North Carolina resident bidder declines to accept contract award, then the contract should be offered to the next lowest qualified North Carolina resident bidder and to continue in this manner until either a qualified North Carolina resident bidder accepts to contract award or the award is made to nonresident bidder if no qualified North Carolina resident bidder accepted the award. If two responsible North Carolina resident bidders qualify for the price-matching preference, both had the same bid price, then the evaluators, purchaser or procurement specialist may: (1) consider the information provided in these bidders' Certifications or publicly available information to determine which bidder the contract award would have a greater impact of stimulating or sustaining the North Carolina economy and/or is most likely to create or save jobs (e.g., if the choice is between a resident broker and a resident manufacturer of the subject goods, then the contract should be awarded to the resident manufacturer); (2) consider the unemployment rate in the municipality or county where each bidder's principal place of business is located; or (3) seek clarification from the bidders to ascertain the impact on their respective businesses if offered the award of the contract.

If the resident bidder requests and qualifies for the price-matching preference, the resident bidder will first be offered the contract award and it will have three (3) business days to accept or decline the award based on the lowest responsible nonresident bidder's price.

If at any time during or after the procurement process (including but not limited to clarifications and resolution of bid protests), the State determines that: the certifications or information in the Certification were false, substantially inaccurate, materially misleading; or the Bidder failed to provide, within the specified time period, the information and documentation the State requested, then the State may:

- (1) Cancel the resident bidder's contract and/or purchase order that was awarded based on the price-matching preference and resident bidder shall be liable for all its cost it incurs as a result of the cancellation and all increased costs of the State may incur by awarding the contract to the next lowest bidder;
- (2) Bidder will not be entitled to any price-matching preference in any future State bidding opportunities;
- (3) Action may be taken against the contractor under the False Claims Act, G.S. § 1-605 through 1-617, inclusive, for submitting a false Certification for the price-matching preference under Executive Order #50 (including but not limited to treble damages and civil penalties); and/or
- (4) Debar Bidder from doing business with the State of North Carolina for a period determined by the State Purchasing Officer and/or Board of Award.

The contractor shall register for the Statewide E-Procurement Service within two (2) business days of notification of award in order to receive an electronic purchase order resulting from award of this contract.

The transaction fee shall not be stated or included as a separate item on the invoice. There are no additional fees or charges to the contractor for the services rendered by the Supplier Manager under this contract. Contractor will receive a credit for transaction fees they paid for the purchase of any item(s) if an item(s) is returned through no fault of the contractor. Transaction fees are non-refundable when an item is rejected and returned, or declined, due to the contractor's failure to perform or comply with specifications or requirements of the contract.

Contractor or its Authorized Reseller, as applicable, will be invoiced monthly for the State's transaction fee by the Supplier Manager. The transaction fee shall be based on purchase orders issued for the prior month. The Supplier Manager will capture the order from the State approved user, including the shipping and payment information, and submit the order in accordance with the E-Procurement Service. Subsequently, the Supplier Manager will send those orders to the appropriate contractor on State Contract. The State or State approved user, not the Supplier Manager, shall be responsible for the solicitation, bids received, evaluation of bids received, award of contract, and the payment for goods delivered.

Contractor agrees at all times to maintain the confidentiality of its user name and password for the Statewide E-Procurement Services. If a contractor is a corporation, partnership or other legal entity, then the contractor may authorize its employees to use its password. Contractor shall be responsible for all activity and all charges by such employees. Contractor agrees not to permit a third party to use the Statewide E-Procurement Services through its account. If there is a breach of security through the contractor's account, contractor shall immediately change its password and notify the Supplier Manager of the security breach by e-mail. Contractor shall cooperate with the State and the Supplier Manager to mitigate and correct any security breach.

No costs or expenses associated with providing this information shall be charged to the State, its agents (including Supplier Manager) or State approved users of the contract. For the purposes of this contract, the contractor warrants that it is authorized and empowered to and hereby grants the State and the Supplier Manager the right and license to use, reproduce, transmit, distribute and publicly display this information.
