WHEREAS, due to the approaching winter storm, vehicles bearing equipment and supplies for utility restoration, carrying essentials and for debris removal need to be moved on the highways of North Carolina; and

WHEREAS, I have declared that a state of emergency as defined in N.C.G.S. §§ 166A-19.3(6) and 166A-19.3(18) exists due to the approaching winter storm and its likely impact in this State. The emergency area as defined in N.C.G.S. §§ 166A-19.3(7) and N.C.G.S. 166A-19.20(b) is the State of North Carolina; and

WHEREAS, under the provisions of N.C.G.S. § 166A-19.30(b)(3) the Governor, with the concurrence of the Council of State, may regulate and control the flow of vehicular traffic and the operation of transportation services; and

WHEREAS, with the concurrence of the Council of State, I have found that bearing equipment and supplies for utility restoration, carrying essentials and for debris removal must adhere to the registration requirements of N.C.G.S. § 20-86.1 and 20-382, fuel tax requirements of N.C.G.S. § 105-449.47, and the size and weight requirements of N.C.G.S. §§ 20-116 and 20-118. I have further found that citizens in this State may suffered losses and will likely suffer imminent further widespread damage within the meaning of N.C.G.S § 166A-19.3(3) and N.C.G.S. § 166A-19.21(b) and;

WHEREAS, the uninterrupted supply of electricity, fuel oil, diesel oil, gasoline, kerosene, propane, liquid petroleum gas, food, water, and medical supplies to residential and commercial establishments is essential during and after the winter storm and any interruption in the delivery of those commodities threatens the public welfare; and

WHEREAS, the prompt restoration of utility services to citizens is essential to their safety and well-being; and

WHEREAS, 49 CFR § 390.23 allows the Governor of a state to suspend the rules and regulations under 49 CFR Part 395 for up to 30 days if the Governor determines that an emergency condition exists; and

WHEREAS, under N.C.G.S. § 166A-19.70, the Governor may declare that the health, safety, or economic well-being of persons or property requires that the maximum hours of service for

drivers prescribed by N.C.G.S. § 20-381 should be waived for persons transporting essential fuels, food, water, and medical supplies, and for restoration of utility services.

NOW, THEREFORE, pursuant to the authority vested in me as Governor by the Constitution and the laws of the State of North Carolina, **IT IS ORDERED:**
