WEBPAGE: QPR TRAINING REFERENCE MATERIAL

The QPR (Question, Persuade, and Refer) Gatekeeper Suicide Prevention Training Program is an educational program that teaches employees how to recognize a mental health emergency and how to get a person at risk the help they need. This training will be delivered to all NC Department of Public Safety Employees by Cardinal Innovations Healthcare Solutions and coordinated by the NCDPS Office of Staff Development & Training. Because of the nature of suicidal warning signs, and who is most likely to recognize and respond to them, the QPR Institute strongly concurs with the goal of one in four persons trained a basic gatekeeper role for suicide prevention in the United States. Gatekeepers include parents, friends, neighbors, teachers, ministers, doctors, nurses, office supervisors, squad leaders, foremen, police officers, advisors, caseworkers, firefighters, and many others who are strategically positioned to recognize and refer someone at risk of suicide.
