

## Accident Gunshot Wound Rider

As a Public Safety Employee you are exposed to situations where a gunshot wound could occur. A gunshot wound may not be fatal and yet it can inflict serious physical and/or emotional damage. This benefit is designed to pay a lump-sum benefit regardless of any other insurance you may have.

### Expand Your Present Coverage

With a benefit designed to help meet the hazards faced by the professional Public Safety Employee.

### Non-Fatal Gunshot Wound

**\$1,000 benefit for \$1.00/month premium.**

**Up to three units available per Employee, if selected**

for a gunshot wound requiring overnight hospitalization within 24 hours after the accident. If you are shot more than once in a twenty-four hour period, we will pay benefits only for the first wound.

These are the highlights of your benefit. Please see the Outline of Coverage contained in this brochure and the policy for complete details.
